### Summary

### Supporting Scriptures

*1 Kings 19:19-21; 2 Kings 2:1-14; Hebrews 10:23*

Second Kings chapter 2 brings to an end the ministry of Elijah, one of God's greatest prophets. Prior to his departure, he was instructed by Jehovah to name Elisha as his successor. The relationship between the two men proved to be one of the greatest mentoring relationships in Scripture. From the time Elisha signed on with Elijah, he never lost passion, focus or desire for his ministry and prophetic office. He remained by the side of Elijah until the day he was taken away from this life in a fiery chariot.
